Benefits of Chews-ing Wisely

Why Choose Raw Dog Chews?

Raw Dog Natural Chews will never offer any products we wouldn't give to our own pets. Our chews are fresh and delicious.

Good Chews Reviews

98% of dogs that have tried Raw Dog Chews gave our products a 4 star review. (after 10 reviews)

Our single ingredient, grass-fed, free range beef products do not contain any artificial colors, preservatives, pesticides, antibiotics or GMOs.

Chewing supports dental health

Highly Digestible

About us

At Raw Dog Natural Chews, our slogan is "Chews Wisely™". Sure it's a catchy phrase, but it means so much more. It is unique like we are.

We are not just a company. We are dog-lovers and pet-parents who are passionate about providing healthy, 100% natural, premium quality dog chews. Our goal is to help pet parents choose treats and chews for their dog wisely, because our pets are part of our families. We want to keep them happy and healthy.

Our chews are also paw-sitively super-tasty. 🐾

Did You Know?

Raw Dog Chews are only available at pet specialty retailers.

As caring dog owners, we always want the healthiest and highest quality food to feed our dogs, but too often we forget about healthy treats. This is where Raw Dog Chews comes in: we are here to provide pet parents an option for healthy and fresh chews for their dog. No artificial ANYTHING! Our goal is to provide your pet with only the best, freshest, healthiest and yummiest natural treats and chews.

Beef Chews

All dogs want variety in their chews. Raw Dog Cow Ears, snouts, tendons and Hooves come from grass-fed, free range beef. Cow Hooves can be filled with peanut butter or other tasty filling to keep your dog busy and satisfied. Try stuffing with peanut butter and placing it in the freezer to create a long-lasting chew that's sure to keep your dog busy. It makes a cool treat in the heat!

Pork & Chicken Chews

Raw Dog Pig Ears, Ear Slices and Chicken Feet are classic alternatives to beef. All dogs favorite chews are oven baked to maximize tastiness, with no need for additives, preservatives, or artificial flavorings. Not all dog chews are the same, you will see the difference in the quality of our premium Raw Dog Chews.
